Making a Pom Pom

1. Cut a square of cardboard approximately half of the diameter of the finished pom pom needed.
2. Beginning at one side of the cardboard square, wrap yarn around cardboard as illustrated in **Fig. A.** The more yarn that is wrapped around the cardboard, the fluffier and fuller the finished pom pom will be. Do not allow yarn to unwind.
3. Using a small scrap of yarn, slip it between the cardboard and one side of the wrapped yarn as illustrated in **Fig. B.** Tie tightly.
4. Cut the yarn, directly opposite of the tied end on the other side of the cardboard as illustrated in **Fig. C.** Fluff out yarn ends and with scissors, trim pom pom evenly.
